I am excited to announce to you that the AHEF has earned ACHE's Award of Distinction. Our Chapter will be highlighted and recognized for our achievement at the Malcolm MacEachern Luncheon on Tuesday March 11, 2008 during the annual Congress on Healthcare Leadership in Chicago. We will also receive a certificate at the Chapter Leaders Reception on Tuesday, March 11, 2008. I want to personally congratulate each of you for making this achievement possible.

I would also ask that you mark your calendar for the Arkansas Hospital Association's Executive/Trustee Leadership Conference to be held June 18-20 at the Chateau on the Lake in Branson, Missouri. Information about that meeting will be forthcoming. The AHA's 78th Annual Meeting and Trade Show will be held October 8-10 at the Peabody Hotel in Little Rock. A three-hour ACHE Category I workshop will be held on Friday, October 10. Robert Reece, president of the Cambridge Research Institute, will present the ACHE's top-ranked educational program, "Hospital of the Future: Why Being Great Will Increasingly Matter."
