What Do We Do Now? Health Reform: Strategic Implications for Leaders

Webinar Presented by Jamie Orlikoff and Jim Reinertsen on May 24, 2010 at 11 a.m. EDT.
Duration: 90 minutes with live Q&A
Registration: $295 per line.
Registration includes a recording copy of the live session.

Everyone knows that historic Health Reform legislation has passed. What is less clear, however, is what it really means for hospitals, systems, and their leadership. The ponderous document is difficult to read, and leaves many important issues unaddressed or vague. This webinar will extract the strategic implications and probable implications of the law and related trends, and outline strategies and tips for leadership to prepare their organizations for the coming changes.
